## ACC COLUMBIA Jet Service GmbH

In December, GOMOLZIG Aircraft Services GmbH merges with ACC COLUMBIA Jet Service GmbH to exploit the synergy effects that are of great importance for the further development of our company in the aviation industry. For you, everything remains as usual. ACC COLUMBIA expands the current portfolio with aircraft maintenance and repair of aircraft components.

Since 1995, ACC COLUMBIA has developed into a leading company in the industry of aircraft maintenance for private and business jets with headquartered at Hanover Airport. Our company is organized in two departments – ACC COLUMBIA Jet Service and ACC COLUMBIA – Support. The large maintenance stations at Hanover Airport and Cologne/Bonn Airport form the ACC COLUMBIA Jet Service department. The stations Wegberg, Mitterskirchen and now the station Schwelm form the department ACC COLUMBIA – Support. They offer repair of aircraft components, sheet metal works, overhaul of individual aircraft components and more.

**Former Design Organization of GOMOLZIG Aircraft Services GmbH will become the new department of ACC COLUMBIA – Design.**

The station in Schwelm is **still available** and the contact persons remain the same for you:
